Gas Boiler Flues & Accessories

Vitodens 100-W

Vitodens 111-W

Vitodens 100-W Boilers & Accessories

Boilers

Product Code	Description
7639524	Viessmann Vitodens 100-W System Boiler 19kW
7639527	Viessmann Vitodens 100-W System Boiler 35kW
7639526	Viessmann Vitodens 100-W Combination Boiler 26kW
7639528	Viessmann Vitodens 100-W Combination Boiler 35kW

Controls

Product Code	Description
Z014134	Viessmann Vitotrol 100 OpenTherm Indoor Thermostat
7554227	Viessmann Vitodens 100-W Outdoor Temperature Sensor
7537230	Viessmann Vitotrol UTDB Indoor Thermostat
7537231	Viessmann Vitotrol UTDB-RF Wireless Indoor Thermostat
Z013877	Viessmann OpenTherm Mixing Circuit Control Module
Z013919	Viessmann Open Therm Mixing Circuit Control Module + 1 Indoor Thermostat
Z013920	Viessmann Open Therm Mixing Circuit Control Module + 2 Indoor Thermostats

Flues

Product Code	Description
7637242	Viessmann Vitodens Flue 60/100mm Horizontal Kit
7373230	Viessmann Vitodens Flue 60/100mm Vertical Kit
7637255	Viessmann Vitodens Flue 60/100mm Elbow 45°
7637254	Viessmann Vitodens Flue 60/100mm Elbow 87°
7637253	Viessmann Vitodens Flue 60/100mm Extension Pipe 0.5m
7637266	Viessmann Vitodens Flue 60/100mm Extension Pipe 1m
7373240	Viessmann Flue Adapter for 60/100mm to 80/125mm

The Touch-Screen Improves User Friendliness

The Vitodens 100-W wall-mounted gas condensing boilers are controlled by the new, back-lit LCD touch-screen, which makes it easy to use and read in dark environments.

Vitodens 100-W Showing Internal Components

10 Year Warranty

On all Stainless Steel Heat Exchangers for Gas Condensing Boilers up to 150 kW

Vitodens 111-W Boilers & Accessories

Boilers
