## KE KELIT New Zealand Hire Tool Agreement

KE KELIT (NZ) LIMITED's standard Terms of Trade shall apply to this Hire Agreement. Those Terms of Trade shall prevail in the event of any conflict between the Terms of Trade and this Hire Agreement. Hire tools are not available to those who have not signed the Terms of Trade. This form applies to all subsequent hires.

### Terms and Conditions of Hire:

You must ensure you check that all the parts (stated on the packing slip) are present before and after use. All press tools must be used in accordance with the relevant manufacturer's instructions and KE KELIT NZ Training Manual (which can be provided on request).

Hire tools are subject to availability, and the hire tools must be in use throughout the period of hire within reason, or else returned. KE KELIT reserve the right to supply suitable alternatives to requested tools without notice.

**Please note that for STEELFIX, COPPERFIX & VSH XPRESS GAS systems, an additional charge of \$20 applies when hiring slings (35/42 - 108mm sizes) as a can of BRUNOX Turbo Spray Lubricant will be required.** This must be applied to the slings in accordance with the instructions provided on page 03 of the KE KELIT Press Tools Technical Product Selector to prevent the occurrence of pinched fittings.

### Damages and Losses:

You are responsible for any damaged or lost tools while they are in your possession. KE KELIT (NZ) LIMITED reserve the right to on-charge any repair or replacement costs. KE KELIT (NZ) LIMITED are not responsible for any damages that are caused using press tools and other associated equipment that are hired under this agreement. You must notify KE KELIT (NZ) Limited of any damaged or lost hire equipment as soon as possible. KE KELIT (NZ) Limited are not responsible for tools sent incorrectly, you must check that the tools are correct for the application.

### Freight Charges:

KE KELIT NZ will on-charge the shipping costs associated with the transportation of hire tools to and from your location. **The freight charge incurred will be a flat fee of \$25 ex. GST each way.**

### Hire Costs:

Hire tools will incur charges based on full week quantities. The minimum hire charge will be that of one week, even if the tools are only required for a couple of days. For example, an 8-day hire will incur a two week hire charge. Penalties for late returns will apply.

Payments are to be made via invoice or direct debit. All relevant forms must be filled out and returned prior to any tools being dispatched. All prices listed EXCLUDE GST and depend on the tools that are required. Hire charges may be adjusted at any time without notice.

### Late Penalties:

Two business days total will be allowed for return shipping time from your location, i.e. for a one-week hire starting on Monday, the tool(s) must reach us by the Wednesday of the following week. Late penalties will apply if the tool is not received by KE KELIT (NZ) Limited within the specified time frame (unless it can be proven by track and trace or similar to be outside of your control). Contact KE KELIT prior to the end of your hire term to arrange any required extensions. This means you will need to provide an additional purchase order or initiate a further direct debit.

Penalties are incurred for EACH DAY that the tools are not returned and EXCLUDE GST.
