

Diesel Boiler Flues & Accessories

Vitorondens 200-T

Vitorondens 200-T Boilers & Accessories

Boilers

Product Code	Description
BR2A091	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 20kW *
BR2A092	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 24kW
BR2A093	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 28kW *
BR2A094	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 35kW *
BR2A095	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 42kW *
BR2A096	Viessmann Vitorondens 200-T Coaxial Room Sealed Boiler - 53kW *

Controls & Accessories

Product Code	Description
Z008341	Viessmann Vitotrol 200-A Room Thermostat
ZK02941	Viessmann Vitorondens 200-T Mixer Extension Kit Wall Mounted
7549353	Viessmann Automatic Fuel Oil De-aerator & Filter
7534000	Viessmann DHW Hot Water Cylinder - 200 Litres
7534001	Viessmann DHW Hot Water Cylinder - 300 Litres
7179114	Viessmann DHW Cylinder Temperature Sensor

Flues

Product Code	Description
7373271	Viessmann Condensing Flue 80/125mm Black Vertical Kit
7435862	Viessmann Condensing Flue 80/125mm Horizontal Kit
7194324	Viessmann Condensing Flue 80/125mm Elbow 45°
7194323	Viessmann Condensing Flue 80/125mm Elbow 90°
7194320	Viessmann Condensing Flue 80/125mm Extension 0.5m
7194321	Viessmann Condensing Flue 80/125mm Extension 1m
ZK02506	Viessmann Flue Seal for Diesel Boilers 80/125mm - 5 Pieces **

The Vitotronic 200 control unit with plain text display and graphic support enables easy, self-explanatory operation with user prompts.

The Inox-Radial heat exchanger made from stainless steel separates combustion and condensation effectively. The combustion residues remain in the combustion chamber, whilst the combustion gases can condense in the heat exchanger without leaving any residues behind.

10 Year Warranty

On all Stainless Steel Heat Exchangers for
Condensing Diesel Boilers up to 150 kW

For the full range of Viessmann products and further product information please refer to the KE KELIT Climate Control Heating Product Catalogue

* This product is available on indent only. Please contact KE KELIT Climate Control for more information climatecontrol@kekelit.co.nz

** Flue seals are mandatory with every Viessmann diesel boiler flue system
