

Mounting Clip Indufix IF

for installation with wire mesh

- easy fitting compared to the cable ties
- the Indufix can be easily dismantled and fixed again
- no tube can come off thanks to the tight design of the clip
- every laying distance is possible with every wire mesh diameter 3 - 8 mm (1/8" - 5/16")
- the Indufix can be used for pipes OD 20 - 26 mm (5/8" - 3/4") tubing

Technical data

item No.	for wire diameter	for tubing OD	colour	packing unit	weight approx.
